

Network Charges

1 October 2012 to 30 September 2013
(Dated 30 July 2012)

Please note that the following charges are those that GasNet charges the energy retailers for transporting gas through its distribution network to consumers, and do not necessarily reflect what the energy retailers ultimately charge their customers (the consumers).

Network Charges¹ (excl GST)	Service Charge (\$/Day)	Supply Charge (\$/GJ)
Standard Sites (less than 10TJ p.a.)		
M6	\$0.492	\$6.396
